

THE PLAYERS
SIXTEEN GRAMERCY PARK

Dear Clayton

Your letter makes me
both happy, and sad. —
Happy to feel that you'd
like ^{me} to be present on that
New Year's night, & sad
because I must get away
to Florida without any
risk of meeting those dis-
agreeable storms that
can come almost any
time after Nov. 1. I am

SIXTEEN GRAMERCY PARK

rather better than I was
a year ago, and am
hoping to keep that way.
When I get to Florida
I'll write you something
brief that you or some-
one of your choosing might
read to my beloved
Players, if you think it
worth while. Oh, I'm
sorry!

Always faithfully

Albert B. Paine
