

YALE COLLEGE.

New Haven, Conn., Feb. 18 1885

To Thomas Thacher Secy of the Assn

It would give me very great
pleasure to be present at the meeting
of the Yale Alumni Association of
New York on Friday evening to meet the
Hon. Wm. Evarts on an occasion so
interesting to all Yale graduates. I have
however that my duties at home will
prevent my replying to a call. ~~Which~~
my feelings impel me to assure you every way
by which I express my personal participation
at the desiderata which has been
followed upon one of our most distinguished
graduates.

Very respectfully
C. W. Foster
