March 10, 1902.

Dear Mr. North;--

I inclose a letter this morning at hand from Mr. Methuen. He is, you will note, ready to take advantage of your suggestion for the use of certain "Lamb" material in your hands, in consideration of the payment of \$100. He will be glad, in connection with the purchase of the use of this material, to get the advantage of such suggestions, ^{or} information as you may be in a position to get concerning other Lamb material available in this country for the proposed set. It will we judge be convenient for your report to Mr. Methuen to be forwarded through our office.

Yours faithfully
G. P. Putnam
