My dear Ernest:

Thank you very much for your letter. Sympathy is never late: our losses of those we love grow keener as time goes on - they're not for a day: so neither is sympathy -

Curtis is getting slowly but surely better - It was a tough struggle, and we nearly lost him - It will take weeks of careful nursing to bring him around, but we're thankful that he is with us -

I am glad you and Mrs. North are going abroad, and, in the company of Mr. and Mrs. Mahie, you should have a congenial time. Good luck go with you, and behind me,

Very sincerely & gratefully,

Edward Bok
