By Mr Hubbard

Dear Sir

The bearer of this is Mr
Hubbard of Meriden Conn^{ct} is
a diligent and successful in-
vestigator of genealogies in
which if I mistake not, you
as well as your son - take some
interest. He has with him
a large sheet of Trumbull
genealogies which perhaps
you would like to see - and
he is moreover anxious
to engraft your branch
upon the great family
tree which must be
my apology for thus
intruding on your time

which I think you told
me is not fully engroped
in the afternoon.

I should like to know how
you are & related to the
Lebanon family and

remain dear

your very truly

Respectly
