Wm. Carey & Hart

Gentlemen

Do send me a copy of Stephens' Miscellanies bound like those of McAuley which you sent me. Can you procure me the Reconstructive Review, & at what price? If at moderate cost, get it for me. When you send Stephens' send me two more copies of R. Hendri's & Border Beagles. I am now engaged as regular contributor ^{to} & indeed, have caste blander in the pages of the Southern Quarterly Review, to which I shall contribute freely. This should entitle me to receive from you an occasional volume for analysis. Think of me therefore in your publications.

Yours truly

Wm. D. Smith.
