

Madam / I wish to
express my
affection & many daily
kindnesses have presented
me from uplying to your letter
till the present moment -
and now I have it with me
my power to make a satisfactory
reply - My husband's
acquaintance with Miss Sewell
was but slight & he had nothing
to do with the arrangement
of his testamentary papers &c -
- Now that I ever hear you
speak of the condition I request
you allude to, tho' I receive
a vague recollection that by

let early is -

then I have heard it
spoken of -

I should think the
executor of Sir Walter Scott
likely to be well informed
on the subject -

I remain Madam
Very much Y^r Obed^t Serv^t
Caroline Southey -
