

OCT 23/66

Dear Sir

I shall be glad to see you  
when I return. At present I & my  
wife are going away perhaps for three  
weeks.

With respect to your proposed work  
I have long ago <sup>thought</sup> that if such a  
thing were well done it might  
be good for the country

Nevertheless I cannot pledge  
myself to help you in it

Believe me

W W Bennett Esq

Yours very truly  
A. Cunningham
