My dear friend & shipmate:

All our letters miss
fire. Year, for I do not hear from you -
do let me hear from you & give me
your English address before you go.
You know I had gone from the Shoals
when you wrote about Charlie, & why
did you not answer me from there,
& appear? I am convinced you never
got any of my letters. Cannot you
come & see me here? Do write to
your friend

C. Hayter.
