George Francis Train Esq

Dear Sir

How long  
do you deem it possible  
for a man to fast; or  
live only on bread  
and water? (Forever!)

Do you in your  
fasting abstain from  
drinking water?

I drink Yours Truly

Wm. W. Bennett, Hastle Ridgway  
but have subsided on it!

It must be corrupt from dead fish!  
Must not drink water, or liquid, fast, would  
die in 13 days. My 430 Day! 35-  
pounds off! (196 to 161) and no appetite!

Geo Francis Train
