

New York, April 20th 1873

Dear Sir: I do not possess a copy
of either of the volumes. The first is
exceedingly good, and both are out of
print. I will try to get copies,
and, should I succeed, will forward
them. You shall have the photographs
within a couple of weeks. I have not
had time to dit for it. I suppose
you have got "my witness".

Yours own
William White.
