

Dear Madam,

May I be allowed
to request that Mr J
Thompson of Park
Street Westminster, next
Park Lane friends of
mine, & Mr J Mrs
Norris, without intruding
upon you may be
permitted to see the
two charming views from
the front of Gent Lodge
I sincerely hope that

health may be if not
improved, at least no
worse than when I last
lost the pleasure of
seeing you

Pray excuse this
liberty and believe me
dear Mrs Smith with
great respect

Yours truly yours

Wm Woodworth
