My dear Sir

I have nothing  
to do with the Court Journal  
nevertheless I am much gratified  
by receiving your book  
which I am quite satisfied  
will equal to the former  
& success of its brother  
volume. - I shall take  
advantage of the first  
opportunity that I can find

to first, ~~what~~ from the  
name of its Author, can  
require no assistance of mine  
or anyone else's. — But still  
I shall do what I can —

I must say had of the  
first published day to  
Cale at Plymouth  
place & see you &  
your family.

Believe me truly yrs
