

Le Comte de Sarnac's Compliments
to M. Dalau. They he will send him
(Directed to Tricheham) by the Stage,
the Oeuvres posthumes de Marmontel,
par Lon. Baylis half bound.

Le Comte de Sarnac hopes that upon his Earnest
recommendation, M. Dalau has not forgot
to inform M. Colnaghi of the result of
his inquiry — as a father, he felt much
interested to a father's anxious desire on
such a point.
