Kangaroo Hill
Feb. 24th

Dear Sir,

I received last night the
MS. which you kindly sent
me through the hands of Mr
J. Shene - From the date of
his note Feb. 18th I find that
the parcel must have
remained several days at
the Hyde Park Hotel - and
I write to acquaint you with

this circumstance as the cause
of my not having returned
the MS. I will do so. Tomorrow
evening -

I shall have sincere pleasure
in complying with your wish
to see me - but this week I
am particularly engaged - I
shall be able to propose a
time for our meeting when
I return the MS.

Believe me

Yours very faithfully

W^m Neal Byron
