Dear Dr. Haistey

I am quite ashamed  
of my omission, in not  
having, as I ought, acknow-  
ledged the receipt of the  
Examination Papers &  
the history of Ston College  
which you left with

me

me in London, & which I  
did not fail to lay  
before the Prince.

In thanking you for them  
D. R. W. desires me  
to say that they were  
not exact what he  
wished, this interesting in  
themselves as showing the  
nature of your studies.

What

that he wished for the  
King of Portugal was  
more, a copy of your statutes,  
on whatever would best  
show the nature of your  
foundation - The terms on  
which boys are admitted -  
the mode in which discipline  
is maintained &c &c -  
Probably the account

of

1804-70 Copy.

of the College which you  
left with the contents in  
great part what I have  
here stated. —

Believe me

Y<sup>r</sup> faithfully

Grey.
