

Thursday morning
Jan 9th 1839

My dear Yates

Perhaps in your present state of semi-convalescence you will not be sorry to hear that business of serious importance will occupy me the greatest part of the day - We can talk over the affair at any time; you may be assured, ^{in the mean time} I shall make no arrangement without your entire cognizance - With kind regards to your lady, my wife joins

me in just wishes for your
Speedy "come out again."

yours very truly
