Mr. J. S. Peal Sr.

Dear Brother;

I received

your letter today and was very glad to hear from you. Do you still think you will have to go to the army? If so I am coming home before you leave.

How are father and mother fixed on money matters. I would send them some money but I am making only \$12.00 per week and you know that hardly pays my expenses. If you do go I must do something to help but the Lord only knows what it is. I guess I can go to Pittsburg

on Cleveland and get more
maney. Have you received
a good offer for your agency
yet. If you want to sell it
to me and will back me
up a little I will come home
and learn it before you
have to leave. Of course
I dont want to do this
at all unless you think it
would pay enough for me
to help the family quite a
lot. I am getting along
very well in St Louis
have quite a bunch of
friends and am very
well contented but I
know that something
must be done for Father
and mother who have
nursed us and who are
too old to be deserted by
us now.

I am still at work
at the Grand Leader, but
don't know how long
they are going to keep me.
Their sale is over this
week and they are going
to let out all their ^{extra}
help. Guess that will
include me. If so I
have my eyes on a job
which pays 16⁰⁰ per
week but as it will
require a time to wait
I may come home a
little while until they
can find out about my
character and ability.
Of course it is working
for an Ins. Co. but I
need the extra money.

I certainly was very
sorry to hear about
Mr Haddox's state
business. Is that going
to hurt your standing
with your co. any. Guess
not though. Sure does
look bad for La center.

Have been sick today
and taking medicine
so I will close and
go to bed. Let me hear
from you soon of-
-out what you are going
to do.

Give my love to all
your Mother
H
