7th June 1826. 10 Sydenham St
West

The Rev^d Archdeacon Wingham

My dear Sir

I lament the gulch of two thirds of
the space of London that divides us - My hours are
also little at my own command -

I send you with
pleasure a copy of the Prospectus & plan of the
University - There are more at your service at
7 Fenchurch Lane - Holborn - the University
Office -

Yours very truly
J. Campbell
