My Dear Sir

By desire of our friend Jackbold
I send you a drawing of the monument
which I have made to the memory of
the late Mr. Cook of Burton.

I consider an outline quite sufficient
for a work of this kind - should
you agree with me & will have the
goodness to return the drawing with
the exact size of the plate & the
name of the person you wish to employ
I will give the necessary instructions at
the monument. It would also be well
if you were to let me know the price
you expect to pay for such a plate
that I may assist you with my own
judgment for it is possible I may
get it done for less than you can
and in less time. Sincerely yours
J. Chantry
