To W. Satchell (R)

Dear Sir -

Pray accept my thanks for
the volume of Poems which you have
been good enough to send to me, and
which I have just received. I have
no doubt it will afford me real
pleasure, when I come to read it; for I
at one time I made a very early acquai-
-tance with some of your productions,
and have still a very lively recollection
of the gratification I received from them.

Your subjects in the present volume
are very interesting, especially for picture
drawing, which I love, is a favorite
species of poetry with me. - Believe

me. I am, much flattered by your
present, and to remain
your faithful obliged
Wm. F. Coleidge
