My dear Oliver

I send you the corrected proof of the
first sheet of La Vieillesse. 24 pages of
print from 27 pages of manuscript.
I like the look of the page and the
whole goes well.

I hope the printer will attend
to the alterations or more properly
speaking corrections - some of them
have been mistaken; send me
proofs as thick as you like.

I remain dear Charles

Yours most truly

Alban Fanningham
To Ch. Oliver Esq.
