

Dipton.

March 15<sup>th</sup> 1856.

My dear Sir. I enclose you a  
note to Mr. Panizzi, which  
I think will serve to introduce  
you to the Reading Room of  
the British Museum. — When  
you have been once admitted,  
there will be no further  
difficulty.

Very truly yours  
W. Hamilton Liswell
