FROM THE ADMINISTRATIVE COMMITTEE...

A potential problem has come up with the book fund. For the first time in a number of years we carried over money (\$82,000). The Budget Office has denied the carryover. Paul Willis is requesting reconsideration and a codification of the verbal policy allowing us to do this.

The Senate Library Committee meets soon. The committee will be given an update on the library (circulation system, positions lost, budget, etc.).

The Library has received \$475.27, to be used for the enhancement of research and scholarship, from the UKRF Incentive Program Allocation. Suggestions for using the money were: putting it in data services for librarians' use for research, a piece of microform equipment, offering our own mini-grant or seed money for other grants.

The ARL meeting is in Washington on October 13 and 14. Since there is no travel money for anyone to attend, Paul Willis asked unit heads to check and see if anyone would be in Washington on those dates who would be willing to represent the library at the meeting.

John Henderson from UK Information Services wants to feature the Library at one of the half time programs of an October football game. Some suggestions on what to feature if we decide to do the program were: the Peal Collection, an outlying library or the Library as a regional depository of government documents.

Paul Willis reminded the Committee that the deadline for the Council on Library Resources Internship Program is October 11th. He asked that the unit heads encourage anyone in their units interested to pursue it.

The Council on Library Resources is offering a \$3000 grant for cooperative research from libraries and academic units. One idea for use of the grant was to do a research methods course for librarians, drawing on other campus units for the teaching.

DEDICATION OF THE W. HUGH PEAL COLLECTION

The extraordinary collection of manuscripts and rare books donated to the University of Kentucky Libraries by Mr. W. Hugh Peal will be dedicated to scholarly use on Friday, October 15. The gift of Mr. Peal's library to U. K. makes this institution one of the world's strongest for research on the early English Romantics, including Wordsworth, Coleridge, Southey and Charles Lamb.

Activities recognizing the Peal gift include an afternoon seminar in The Gallery and an evening dinner meeting at Spindletop Hall. The seminar, on the early English Romantics, begins at 1:30 p.m. Stephen M. Parrish, Chairman of the English Department at Cornell, will speak on William Woodsworth; Richard Haven, of the University of Massachusetts at Amherst, will discuss Samuel Taylor Coleridge; and Edwin W. Marrs, of the University of Pittsburg, will talk on Charles Lamb. A panel session, to include Mr. Peal, will be moderated by John S. Gatton.

The evening program, beginning at 8:30 will feature an address by Herman W. Liebert, former director of the Beinecke Rare Book and Manuscript Library at Yale. Also taking part in the event will be Robert Nikirk, Librarian of the Grolier Club of the City of New York, the select society of bibliophiles to which Mr. Peal was elected in 1949.

Both the afternoon and the evening gatherings are free and open to the public. For the 7:30 p.m. dinner, however, it is necessary to make reservations in advance (\$12.50) by seeing Pat Lloyd in the Director's Office.

ACTS MEETING

There will be an ACTS meeting on October 13th, in The Gallery of King North at 9:30 a.m. David Brewster, the Assistant Director of Parking and Transportation will be the guest speaker. After the conclusion of Mr. Brewster's talk, the results of the election of the ACTS Executive Committee for 1982-83 will be announced.

THE GALLERY SERIES
