

Plant City April 28

Dear Mary

We are again and Lina & I are  
feeling well. Papa took me to Dr. Sanchez  
and he give me some good medicine but  
expensive they cost me 8 days and cost me  
\$3.50 but he said he will cure me. I was  
sorry about the strawberries where spoiled  
but I was not surprise but we will  
make good for your expenses they are  
no more trouble for to send you. But  
we will send you some vegetable do not  
send Lima for they will be wilted by the  
time they reach here. Well Mary I can  
keep surely a secret it run way back 1916.  
nearly two years Mr. Witherspoon is all right  
so is her baby she changed the name and  
named her Ola Marie her grand mother  
wanted Ola, and Mr. Hall has a little baby  
girl too but no name yet all doing fine  
I am still working at my quilt but  
I will make her all white and blue  
but I will wait until we have some cotton  
to fill it our cotton is growing fine and
