Dear Marguerite,

A merry Christmas, Marguerite, and a happy New year for you and Linn
I send you both my hearty wishes for your happiness and good health. Take always life from the sunny side and never, never sorrow. We sent you an other box of oranges and hope you got it all right in due time, if you were here the last two weeks you could have oranges as much you could eat and even more. We are well and busy every day and our Strawberries are fairly good as we already sold some at 50 and 60¢ a box. The Flu is a thing of the past here and nobody is talking about any more the weather is good and no frost yet. Well, the boys are coming home but some will not and it will be a sad Christmas for the parents of them who are buried in France.

Best regards and wishes from happy New Year to Linn & Arthur
