To My Angel Wife
On Our
First
Anniversary

A salute to you dear,
On our marriage of a year.
Although I'm far away,
Our love is here to stay.
I was so lucky and smart,
The day I stole away your heart.

You've made me so happy,
And so damn happy
You've made me so proud,
That I want to shout it loud.
All I can say is, in this life,
No one can or will have a better
Wife!

Sue wish I could be
with you in that day. I'm
looking forward to a million
more anniversaries with you.
Your husband

"That's Colonel-General von Knapp. He has the Knights' Cross of the Iron Cross, the Pour-le-Merite, the Spanish Laureate Cross of St. Ferdinand, the Grand Cordon of the Supreme Order of the Chrysanthemum, is one of the Fuhrer's most trusted aides, and has been portrayed on the screen by Sir Cedric Hardwicke and Erich von Stroheim."
