Foreword

We extend thanks to those who have advertisements in this program. We also thank those who are listed as patrons for this high degree of cooperation. We are grateful to each of you for your contribution to the success of this, "The Fifth Annual Musicale of Central High School." To those who have planned the program and to all who are participating, we give special thanks.

The proceeds of this project are to help purchase additional uniforms and band instruments for the Central High School Band.

Central High School has been honored by having one of its students, Malcolm Rucker, chosen to represent the city of Louisville in a "Week End With Music" in New York City in cooperation with the New York Philharmonic Orchestra. We also have had one of our students, Miss Priscilla Shelton, chosen as the guest soloist with the Louisville Philharmonic Society.

We are also pleased to announce to the public that during the "Evaluation of Central High School" in March, 1949, the visiting committee rated the music department of Central High School as "Very Superior".

MALCOLM RUCKER

Malcolm Rucker is one of the narrators in the Finale of the Musicale. He is president of the Student Council, president of the 12 AY Class, drum major and mellophonist in the band. He is a former president of the State Hi-Y. Last November he was selected to spend a "Week End with Music" in New York City as guest of the Standard Oil Company of New Jersey. While there he met such interesting personalities as Szigeti, the violinist; Lily Pons and her husband, Andre Kostelanetz. He conducted the New York Philharmonic in its performance of a Mozart Concerto and was interviewed over C.B.S. by Deems Taylor, the noted music critic.

FOREWORD

We extend thanks to those who have advertisements in this program. We also thank those who are listed as patrons for this high degree of cooperation. We are grateful to each of you for your contribution to the success of this, "The Sixth Annual Musicale of Central High School." To those who have planned the program and to all who are participating, we give special thanks.

The proceeds from this project are to help purchase additional uniforms for the Central High School Band, the Girls' Drum and Bugle Corps, and the Special Chorus.

The Central High School Special Chorus has appeared on the programs of other Louisville high schools and of various church and civic groups. In all cases words of commendation have been received for their high type of performance. We aim to serve our community, and we sincerely appreciate these opportunities for service.

Construction of our new Central High School building is to be started by September, 1950, and very soon we shall have the facilities to serve in a larger way as a community school.

Foreword

We wish to extend thanks to those who have advertisements in this program and to those who are listed as patrons. We are grateful to each of these and to members of the Central High School faculty for their contribution toward the success of "The Eighth Annual Musicale of Central High School".

The proceeds from this project will be used to help purchase an electronic organ for the auditorium of the new Central High School Building.

The Central High School Special Chorus has appeared on the programs of several Louisville schools and various church and civic groups. It has earned for itself wide acclaim and distinction as an outstanding group of high school musicians. Serving in so many ways the community of which it is a part, the Central High School Special Chorus manifests the spirit of its school — service to the community.

Construction of the new Central High School is nearing completion, and in September, 1952, we hope to have the facilities to serve in a larger way as a community school.
