ABBAY OF GETHSEMANI
TRAPPIST, KENTUCKY

Nov 24, 1962

Dear Victor:

I was glad to get your card this morning and to learn that you are back. It is perhaps late to plan anything for next week, but if you want to consider Thursday the 29 or Saturday the 1 of December, that would be fine. Monday the 3rd and Wednesday the 5th would also be fine. The 8th is no good.

On any of those days, if you can come about 11.15 eastern standard time, great. Or a little later. Perhaps the best would be to plan on the 29th, unless I hear otherwise. In any case, perhaps the simplest way to let me know would be to call Bro. Bernardine or whoever is at the gate and give them a message just before you are starting out. Make sure that they get it to me, though.

I will be looking for you on the 29th, then. If that date is out, and you think one of the others better as of now, perhaps you could send me a note.

Have been rather busy. I will have a copy of the new READER for you, and other small things.

By the way, do you know what happened? I lost the two transparencies of the picture. This was very foolish of me and I don't know how it happened, but I have not been able to find them anywhere. You don't suppose I slipped them into a book which you took back with you, by any chance? It is so long ago now that there is no hope of finding out, I suppose.

It is so good that you are back. Very best wishes always, and blessings:

Cordially in Christ

Tom.
