FROM LSO

Believe it or not, LSO's Anything Sale (12 October 1981) made more than \$100 for the Christmas buffet. Several members baked, knitted, crocheted, sewed and donated many beautiful and unusual items; many more patronized the sale. Thanks to all members for their support. Special thanks to Vivian MacQuown for her beautiful granny-square afghan, which sold for \$25.

The drawing for the item from DOMES ANTIQUES (a hand-painted bread plate) was held at 1:10 p.m. and the happy winner was Emily Lihani, Special Collections.

If you missed today's bazaar, you may have another chance to be a part of the excitement. Cathy Hunt, Music Library, has graciously volunteered to coordinate a Christmas bazaar, if she can receive any indication of interest. So if you would like to make something pertaining to the Christmas season (ornaments, crafts, baked goods, etc.), while at the same time help LSO, please let Cathy know by November 2nd. Due to Cathy's busy schedule the projected date for the sale has not yet been set.

FROM UNITED WAY

The 1981 United Way Goal for the Library was \$3,900 which was an 11 percent increase over 1980. To date we have taken in \$4,351 which is a 20 percent increase. The generosity of the Library Staff never ceases to amaze me. Since 1971, we have increased our giving by 60 percent.

On October 21, at 9:30 a.m. in the Solarium, King North, we will have our annual appreciation Coffee. Special thanks go to my acting Coordinator, Michele Parks, who did most of my work this year and to my faithful and hardworking Solicitors: Bess Clotfelter, Brad Grissom, Peggy Lewis, Claire McCann, Lynn Shrewsbury, Ruth Vaughan, Ron Weber, Frances Williams.

COUNCIL ON HIGHER EDUCATION MONDAY SEMINARS

The Department of Higher Education will present these seminars each Monday at 10 a.m. in the Faculty Lounge in Dickey Hall. Seminars coming up are:

October 19 Education Outcomes Project, and the Longitudinal Study by Randy Dahl and October 26 Special Projects by Larry Fowler.

THEORY OF LIVING SYSTEMS

November 2 "The Cosmos Around Us: The Kentucky River Valley" by Gurney M. Norman.

November 5 (Thursday) "Awareness through movement: The Feldenkrais Method" (President's Room, Student Center).

Unless otherwise stated all seminars will be at 7 p.m. in room 137 of the Chemistry Physics Building.

PLEASE NOTE: The next GREEN BEAN will come out on Friday, October 30th. Any items submitted for this issue must be in the Director's office by 10:30 a.m. Tuesday, October 27th. Any emergency items can be given to me over the phone.
