

READY TO GO!

Messages of HOPE
from students at the HS of Math, Science and Engineering

While none of us can know the outcome of the next 4 years I have hope that we the people will continue to support our nations core values: liberty & justice for all

FIRED UP!

YOU MATTER.
your voice should be heard, your opinions are important, your rights, freedoms, and your body should be respected, you are beautiful!

WOMEN DESERVE EQUAL WAGES!
-GET THE HIGH PAY!!! \$

Conflict

Climate change must be acknowledged! There must be reform!
Save Our Earth!!!
