The University of Kentucky Board of Trustees met in regular statutory session on Tuesday, May 5, 1981 at 2 p.m. (Eastern Daylight Time) in the Board Room on the 18th floor of the Patterson Office Tower on the Lexington campus with the following members answering the call of the roll: Mr. William B. Sturgill, Chairman, Mr. William R. Black, Governor Albert Benjamin Chandler, Mrs. Betty Pace Clark, Mr. Albert G. Clay, Professor Opal Skaggs Conley, Mr. Tracy Farmer, Mrs. Edythe Jones Hayes, Mrs. Sally Hermansdorfer, Mr. W. Terry McBrayer, Mr. Robert T. McCowan, Mr. A. Stevens Miles, Mr. Frank Ramsey, Mr. Homer W. Ramsey, Mr. Brad Sturgeon, Mr. W. B. Terry, Professor William F. Wagner, and Professor Constance P. Wilson. Absent from the meeting were: Mr. Thomas B. Kessinger and Mr. William T. Young. The University administration was represented by President Otis A. Singletary; Vice Presidents Jack C. Blanton, Peter P. Bosomworth, Donald B. Clapp, Lewis W. Cochran, Raymond R. Hornback, Charles T. Wethington, and Robert G. Zumwinkle; Dr. Art Gallaher, Vice President-Designate; Dr. Wimberly C. Royster, Dean of the Graduate School and Coordinator of Research; and Mr. John C. Darsie, General Counsel. Representatives of the various news media were in attendance.

A. Meeting Opened

Mr. Sturgill, Chairman, called the meeting to order at 2:10 p.m. Following the invocation pronounced by Mrs. Hermansdorfer, the Secretary called the roll. A quorum being present, the meeting was declared officially open for the conduct of business at 2:12 p.m.

B. Minutes Approved

The Minutes of the April 7, 1981 meeting of the Board of Trustees were approved without objection.

C. Meeting Dates Established

Mr. Sturgill called attention to the schedule of meetings of the Board of Trustees and the Executive Committee as established for fiscal year 1981-82 (see copy at the end of the Minutes) and requested the members to mark their calendars accordingly.

It was also agreed that the June 1981 meeting of the Executive Committee should be changed to a full Board meeting and the date changed from June 9 to June 23.

D. Council of Supervisors Appointment

Mr. Sturgill noted there was a vacancy in the Trustee membership on the Council of Supervisors, University Hospital, and appointed Mr. Tracy Farmer as a Trustee member for a three-year term beginning July 1, 1981 and ending June 30, 1984.

E. President's Report to the Trustees (PR 1)

President Singletary reviewed several items in his monthly report to the Trustees, calling particular attention to the four recipients of the 1981 University of Kentucky Research Foundation Faculty Research Awards. He said the four professors were present and indicated his pleasure in introducing Professor Dennis B. Egli, Department of Agronomy; Professor Daniel Nelson, Department of Political Science; Professor Gerald A. Rosenthal, School of Biological Sciences, and Professor Steven W. Yates, Department of Chemistry. The introduction was followed by a round of applause.

President Singletary also called attention to the appointment of Dr. John Michael Brooks as the Academic Ombudsman for 1981-82; the 114th commencement exercise scheduled for 4 p.m. on Saturday, May 9; the selection of Dr. Ernest J. Middleton as a Fellow in the American Council on Education Fellows Program in Academic Administration; and the recent accomplishment of the University Debate Team. President Singletary noted that Jeff Jones, a member of the debate team, had been named the top speaker of the National Intercollegiate Debate Tournament and said he considered this to be another landmark for the debate program which continues to be a very successful and outstanding enterprise at this institution.

Upon the recommendation of President Singletary, the Chairman received the report and ordered it filed.

F. Recommendations of the President (PR 2)

After noting that the personnel changes in PR 2, Recommendations of the President, were routine appointments and/or staff changes, President Singletary recommended it be approved. On motion by Mr. Black, seconded by Mrs. Hermansdorfer and passed, PR 2 was approved (See PR 2 at the end of the Minutes.)

G. Supplemental Recommendations of the President (PR 3)

President Singletary said that due to budgetary restrictions, a determination was reached at the time of the resignation of Mr. Edward Carter as Budget Director to consolidate two offices, the Office for Policy and Operations Analysis and the Budget Office, into one, the Office for Planning and Budget. The consolidated offices, which will be continued in the area of the Vice President for Administration, will be directed by Dr. Peter Fitzgerald, who is being named Associate Vice President of Administration for Planning and Budget. Dr. Fitzgerald has been at the University of Kentucky since 1976 and is the Director of the Office for Policy and Operations Analysis. He has been serving as Acting Budget Director since February. President Singletary pointed out that Dr. Fitzgerald's appointment to the combined position will result in the elimination of a senior administrative position and in significant budgetary savings.

President Singletary called attention to two other personnel changes in PR 3 associated with the consolidation of the two offices under Dr. Fitzgerald. Ms. Karen Combs is being appointed Associate Budget Director and Ms. Joan McCauley, Associate Director for Policy Analysis, and expressed satisfaction in the promotion of these two very bright and able young women.

President Singletary said he was pleased to recommend the appointment of Dr. Fitzgerald as presented in PR 3. He then introduced Dr. Fitzgerald and asked him to stand and be recognized. On motion by Governor Chandler, seconded by Mrs. Hayes and passed unanimously, Dr. Peter Fitzgerald was appointed Associate Vice President of Administration for Planning and Budget. (See PR 3 at the end of the Minutes.)

H. 1980-81 Budget Revisions (PR 4)

The budget revisions recommended in PR 4 being of a routine nature, President Singletary recommended approval. On motion by Mr. Terry, seconded by Mr. Miles and passed, the budget revisions recommended in PR 4 were authorized and approved. (See PR 4 at the end of the Minutes.)

I. Candidates for Degrees - University System (PR 5)

Without discussion, on motion by Mr. McBrayer, seconded by Mr. Homer Ramsey and passed, the President was authorized to confer upon each individual recommended on the list provided the degree to which he or she is entitled upon certification by the Dean of Admissions and Registrar that the individual has satisfactorily completed all requirements for the degree for which application has been made and as approved by the University Senate. (See PR 5 at the end of the Minutes.)

J. Candidates for Degrees - Community College System (PR 6)

Without discussion, Mr. McBrayer moved that the degrees and certificates specified in PR 6 be awarded to the persons named upon certification that the requirements for those degrees or certificates have been satisfactorily completed. His motion was seconded by Mr. Homer Ramsey and passed without dissent. (See PR 6 at the end of the Minutes.)

K. Patent Assignments (PR 7)

Noting that the recommendations regarding the three patent assignments in PR 7 were routine in nature, President Singletary recommended approval. On motion by Mr. Black, seconded by Mr. Sturgeon and passed, PR 7 was approved. (See PR 7 at the end of the Minutes.)

L. FUND Board Appointment (PR 8)

Acting on the recommendation of President Singletary, Mr. Terry moved that the Board of Trustees approve the reappointment of Dr. Irvin E. Lunger as a member of the FUND Board of Directors for a two-year term ending June 30, 1983. Mr. Terry's motion was seconded by Mr. Homer Ramsey and passed without dissent. (See PR 8 at the end of the Minutes.)

M. Appointments to the Council of Supervisors (PR 9)

President Singletary said he was pleased to recommend for membership on the Council of Supervisors, University Hospital, the following strong slate which was submitted to him by a Nominating Committee of the Council of Supervisors:

Mr. Al Smith, public member, for a three-year term, effective July 1, 1981 through June 30, 1984,

Mr. Robert L. Johnson, public member, for a three-year term, effective July 1, 1981 through June 30, 1984,

Mr. Jack Boehm, public member, for a three-year term, effective July 1, 1981 through June 30, 1984.

Mr. Thomas A. Ranieri, student member, for a one-year term effective, July 1, 1981 through June 30, 1982,

Dr. John Thompson, medical staff member, for a three-year term, effective July 1, 1981 through June 30, 1984.

With President Singletary so recommending, on motion by Mr. Farmer, seconded by Professor Conley and passed unanimously, PR 9 was approved. (See PR 9 at the end of the Minutes.)

N. Student Fees (PR 10)

President Singletary pointed out that PR 10 contained two recommendations, the first being the proposed increase in the Student Activity Fee of \$1.00 per full-time student, per semester. He said the \$1.00 increase comes with the recommendation of the Student Association and will be used to expand its services to the campus. The proposed fee will be made available to Student Association as a part of its University funds, and expenditures will be administered and approved by the appropriate University officials. The fee will be for 1981-82 only, and an evaluation will be made near the end of that year before any decision is made for future years. President Singletary urged approval of this recommendation, along with Item 2, the confirmation of the Fee Schedule as adopted by the Council on Higher Education.

The Chairman then recognized Mr. Sturgeon, Student Trustee, who moved approval of PR 10, and then read the following statement in support of the proposed increase in the Student Activity Fee:

PR 10, point I., proposes to include a special Student Association fee as an increase in the 1981-82 fee schedule. Because of a greater need for student services and programs, and considering the current insufficient level of funding available to meet those needs, the Student Association requests \$1.00 per full-time student, per semester.

With advice and consent from the Student Affairs division of the University, the Association will be able to respond more effectively to specific problems of our student community. If enrollment projections are accurate, this new money will amount to about \$17,000 in the fall of 1981. A

tentative breakdown of this money into general categories suggests one-fourth for assistance to other student organizations, one-fourth for direct communication with the student body, including semesterly opinion surveys on campus issues and proposed Student Association projects, another quarter for political and educational programming and major co-sponsorships, thus, and in effect, relieving this task from fund-raised monies in our 150 account for endeavors that must be independent of the University, such as our student lobby, future interventions against utility companies requesting rate-hikes, and standardized teacher evaluations. The last quarter of the new appropriation will remain for student Senate appropriations and to offset added costs due to inflation.

Today's recommendation represents the culmination of three years of discussion with University administrators, opinion surveys of the student body, and research of comparable student groups around the nation. This action also illustrates the unified and cohesive efforts of several years of UK student leaders striving for continuity and harmony within the Student Association as we improve our service.

In support of this proposal is a survey of the student body that was conducted this semester. One thousand students were randomly sampled and as of today 535 responses have been received with 71.6% in favor, 26.6% against, and 1.5% either indifferent or not responding.

One might deduct from these results that even though students by and large are considered cynical and apathetic, they are optimistic that we, as a collective force, have the potential to influence the decision-making process, and to improve our own lives in some way.

If this recommendation is approved today, next spring an evaluation of this special fee will hopefully reflect the development and growth that is necessary for the Student Association to maintain a position of viability and effectiveness on the students' behalf.

Mr. Sturgeon then introduced Mr. Britt Brockman, the newly elected President of Student Association who served as Vice Chairman during 1980-81.

Mr. Sturgill thanked Mr. Sturgeon for his statement. Mr. Sturgeon's motion that the increase in Student Activity Fee and the confirmation of the 1981-82 Fee Schedule be approved was seconded by Mr. Black and passed without dissent. (See PR 10 at the end of the Minutes.)

O. University of Kentucky Development Building (PR 11)

President Singletary introduced Mrs. William B. Sturgill, a guest at the meeting, and then announced plans for the construction of a new building on campus. He indicated his pleasure in recommending that the Board of Trustees formally accept a gift of \$400,000 from Mr.

Missing page(s)

Mr. Ramsey moved adoption of the proposed revision to the Code of Student Conduct as recommended in SCCR 1. His motion was seconded by Mrs. Hayes and passed without dissent. (See SCCR 1 at the end of the Minutes.)

S. Introduction of Dr. Richard Furst

Dr. Richard Furst, newly appointed Dean of the College of Business and Economics, was present at the meeting and introduced by President Singletary.

T. Meeting Adjourned

After determining there was no further business to come before the meeting, on motion duly made, seconded and carried, the meeting adjourned at 3:02 p.m.

Respectfully submitted,

Betty Pace Clark
Secretary
Board of Trustees

SUPPLEMENTAL RECOMMENDATIONS OF THE PRESIDENT

I. Appointment of Associate Vice President - Administration for Planning and Budget

Recommendation: that Dr. Peter Fitzgerald be appointed Associate Vice President - Administration for Planning and Budget effective immediately.

Background: Dr. Peter Fitzgerald is currently Director of the Office for Policy and Operations Analysis. He will retain responsibility for that office and assume responsibility for the Budget Office. Dr. Fitzgerald has been serving as Acting Budget Director since February. Dr. Fitzgerald's appointment to the combined position will result in the elimination of a senior administrative position and in significant budgetary savings.

Dr. Fitzgerald has been at the University of Kentucky since 1976 and has held his current position since his arrival at the University. Prior to his coming to UK he was Assistant to the President at the University of Maine. He holds the Ph.D. in Organizational and Administrative Studies from Stanford University.

Two other key personnel changes will take place with the combining of the two offices under Dr. Fitzgerald. Ms. Karen Combs will become Associate Budget Director and Ms. Joan McCauley will become Associate Director for Policy Analysis.

Recommendation: that the President be authorized to confer upon each individual whose name appears on the list the degree to which he or she is entitled upon certification by the Dean of Admissions and Registrar that the individual has satisfactorily completed all requirements for the degree for which application has been made and as approved by the University Senate.

Background: Since the Commencement exercises are held immediately following completion of examinations, it is not possible for the Office of the Dean of Admissions and Registrar to certify satisfactory completion of requirements prior to Commencement exercises for those candidates who completed their requirements in May. STUDENT FEES

I. Student Association Fee

Recommendation: that the Board of Trustees increase the Student Activity Fee by \$1.00 per full-time student per semester in support of the activities of the Student Association.

Background: The Student Activity Fee is currently \$12.25 per full-time student per semester. The current fee of \$12.25 is earmarked for student admission to athletics events. Student Association is proposing the \$1.00 increase in order to expand its services to the campus. The proposed fee will be made available to Student Association as a part of its University funds, and expenditures will be administered and approved by appropriate University officials. The fee is imposed for 1981-82 only, and an evaluation will be made near the end of that year before any decision is made for future years.

II. Confirmation of 1981-82 Fee Schedule

Recommendation: that the Board of Trustees 1) confirm changes in the fees charged students on the Lexington campus as adopted by the Council on Higher Education at its meeting on April 9, 1981, and 2) establish corresponding part-time and Summer School charges under the guidelines of the Council on Higher Education.

Background: Under KRS 164.020, the Council on Higher Education is charged with the duty of determining the amount of entrance and/or registration fees for admission to Kentucky public institutions of higher education. The schedule adopted by the Council for Fall 1981 reflects the gradual movement to tuition levels charged at the University system's benchmark institutions. There is no change in charges to resident Community College students.

The complete schedule recommended for adoption follows. Charges for part-time and Summer School students are derived, as the Council has directed, from the semester rate, using the institution's definition of what constitutes a full-time load for each level and program area. All charges reflect the \$1.00 Student Association Activity Fee instituted for 1981-82.

AMENDMENT OF CODE OF STUDENT CONDUCT

Recommendation: that the Board of Trustees approve the suggested revisions of Article I - The University Judicial System, Article II - University Rights of Students, Article III - The University as a Supervisor of Student Organizations, and Article V - Statement of Financial Delinquency in Student Rights and Responsibilities. Part I. Code of Student Conduct, effective August 16, 1981.

Background: Under Article VII -- Amendment, only the Board of Trustees may amend the Code of Student Conduct. Responsibility for proposing revisions to the Code of Student Conduct is delegated to a committee consisting of students, faculty, and administrators. The committee accepts and reviews recommendations from students, faculty, and administrators regarding revisions and forwards them to the President for presentation to the Board of Trustees for its consideration.

As in past years, the committee solicited proposals for Code revision from members of the University community via The Kernel. Proposals were initiated both outside and within the committee and those being seriously considered by the committee were published in The Kernel. Following publication of the proposals, the committee held an open hearing on the proposals. The committee then endorsed and submitted the proposals to the President for his consideration and forwarding to the Board of Trustees.

The proposed revisions were approved by the President and they were forwarded to the Trustees Student Code Committee which concurred in all but one of the proposals and recommends the attached revisions for approval by the Board.
