Our Lady of Gethsemani
Trappist, Kentucky

W. J. P.

Sept 24, 1965

Dear Mr. Mumford

I had been meaning to write to you & say how glad I was that your letter to my old friend Victor Hammer, on the occasion of his retrospective exhibition, did a lot to cheer him up. Thank you for it. And also for your letter to Johnson about this insane war in Viet Nam. I enclose a couple of things that might interest you. The bit on execution gives you an idea of what I am now doing myself here. Cordially
Thomas Merton
