

Danville Female Academy.

February 27 1865.

Ms. Mrs. Lym

I herewith inclose your wards' report for the Scholastic Month ending February 24.

The figure 3 is awarded to those whose deportment is unexceptionable, and whose assiduity merits reward, as a testimonial of the highest proficiency.

The figure 2 is commendable.

The mark + indicates more than ordinary diligence.

The mark - indicates delinquency.

Also please find inclosed, your account to date, which I hope will be satisfactory. The advance in everything causes her expenses to be greater than was anticipated at the opening of the session. *Your ward is quite well and applies herself very closely to her studies, doing well.*

Affectionately,

DUNCAN H. SELPH.
