Sweetheart! - I'm working over my
Letter File, so in the meabst - can't
write you a short note. we are still
having mild weather rain sunshine
etc. in fact there has not been a
real killing frost. we don't see any
difference in business. Plenty
of reading material in the news-
papers. Publishers are having a ripe
harvest in this state - our stock
is disturbed as well as neighbor-
ing states and seeing nothing
of our country and neighboring
countries. I'll write you a long
letter soon, been busy taking
stock and finishing up last year's
business. Say, write me soon.
Dear, I'm sending you lots and
lots of kisses. Yours with all
my heart and soul
Conce.

Dear Mr. Railey,

I received your good letter of July 11 and I am very glad to hear from you.

I have been waiting on answering for the reason that I hoped to find out something of my case, but as yet I know not when my case will be tried.

Regular court starts September 7, but I don't think I will be tried in that term.

II.

I received both groups of magazines recently and I am very glad to get same, also, I surely appreciate such favors.

On my arrival here, I was very, very weak in strength, but much exercise and good food and fresh air, has improved me several hundred percent. Still, I have much ^{room for} improvement as I am a good deal underweight.

My dear Mother, Sister and Father were down one week ago last Monday and all are well and getting along satisfactory!

III

They are sending their very best regards and wishes to you.

We have had much hot weather here, which is rather uncomfortable. I certainly realize the handicap it is to you when you have so much work to be done.

I will be glad to hear from you soon as possible. I will write you again soon, but I don't expect to know anything about my case for some time.

I am hoping this will find you in the best of health,

enjoying much success
in your work and getting
along good. With my
very best regards and
wishes, I am

Yours very sincerely,

Ben Saxon
