

October 12- -2

"That the Committee on Scholarship and Attendance be empowered to deduct from a student's semester's total number of credits and points for irregular attendance."

The question of proper method of appointment of extension instructors was considered and referred to a committee of five, with instructions to consider the University policy in reference to extension. The committee to be appointed by President McVey, will be expected to report at the next meeting of the University Senate.

The following recommendations from the College of Arts and Sciences were approved:

- ✓ Chemistry 108 - Colloid Chemistry. Five credits
- See letter from Dean Boyd in Senate file. 11/11/25 ✓ (Art 18a and 18b - Problems in School Art. Prerequisite one year teaching in public schools. Two hours a week. Two credits per semester.
- ✓ Art 112^{a-b} - Advanced Composition. Two credits.
- ✓ Art 202 - Advanced Composition. Two credits.
- ✓ Art 128a and 128b - Drawing and Modeling for Science Students. Two credits per semester. To replace Art 28a-b
- ✓ Art 108a and 108b. - Special Problems for Science Students. This will replace Art 8a and 8b.
