COMMISSION VOTES FOR \$8,000,000 TO MEET THE NEEDS OF UNIVERSITY

Report of Commission Made Last Public Saturday Afternoon

MORROW PLEDGES AID Business Men Entertain; Su-Ky Circle Helps

The expenditure of \$8,000,000 in the next half a dozen years for additions to the University for buildings and equipment, is recommended by the University of Kentucky Commission which returned at noon Saturday from a weeks inspection of Universities of the Central West. The Commission also suggested an increase of \$300,000, annually, for the increasing needs of the growing conditions at the University.

The report of the Commission was made public Saturday afternoon following a luncheon at the LaFayette Hotel given by the Lexington Board of Commerce, the Rotary Club, Kiwanis Club, Pyramid Club and Lions Club, in honor of the Commission. More than 200 business and professional men were assembled for the luncheon and the report of the Commission, which continued until nearly 4 o'clock in the afternoon.

As members of the Commission expressed their views and attitude toward the work of this University, the ambitions of the students, their enterprise and accomplishments, a prospect for legislation for a sum necessary to meet the needs of the University for new equipment and buildings seemed brighter. After short talks made by members of the Commission, in which they paid high tributes to the student body of the University, to its president, Dr. Frank L. McVey, to the faculty of the institution and to the exceptional work of the students, Governor Edwin P. Morrow was asked to address the meeting. His speech was impressive and painfully true. He declared that Kentucky has been "patching up" things for too long, that she is backward in educational work, in the construction of her roads, and public institutions saying that "outside our men and women and natural resources that God has given us we are one of the most backward States in the Union." Governor Morrow joined with the other speakers in the Commission and pledged his efforts to do all that reasonably can be done to help the University of Kentucky.

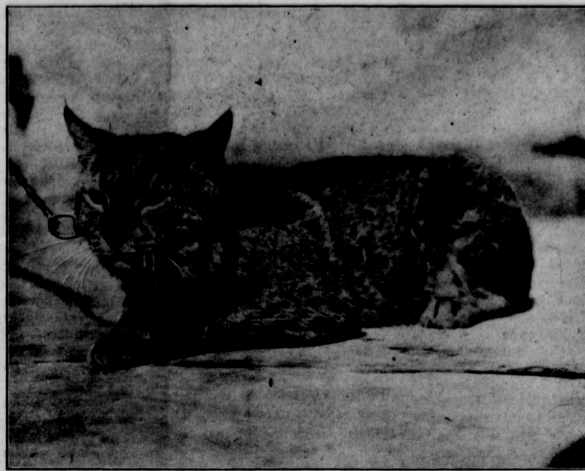

After the address by Governor Morrow, Dr. McVey, whom every member of the Commission praised as being an executive, second to none at any of the large institutions visited, made a short talk, expressing his gratitude and appreciation to the business men of the city for making the meeting possible and to the members of the Commission for their time and their co-operative attitude toward the project for the betterment of the University.

The Commission was very favorably impressed with the spirit and enthusiasm of the student body and their interest in the institution and expressed their appreciation of the warm welcome given them by the students of the University. A great deal of credit is due the Su-Ky Circle for their work and management of the reception.

CHI DANCE POSTPONED

The Chi Omega dance, which was to have been Friday night, May 20, at the Phoenix Hotel, has been postponed to a later date because of the death of Henry G. Herring, father of Katherine Herring, who is a member of the active chapter.

KENTUCKY'S MASCOT

The above is a picture of one of the wild cats owned by Mr. R. S. Webb, Jr., manager of the Mammoth Garage. The cats are one and two years old and the one shown here was trapped in Texas; the other one in the mountains of Kentucky. They are to be kept as mascots for the Wildcats of the University.

SENIORS ENTERTAINED AT DEAN BOYD'S HOME

In the home of Dean and Mrs. P. P. Boyd, Saturday evening, May 21, at an informal party, the seniors of the College of Arts and Sciences forgot their traditional dignity, laid aside the burden of their four years accumulation of knowledge and enjoyed an evening of whole-hearted fun and entertainment.

The party began at 8:00 o'clock with the reception of the guests by Dean and Mrs. Boyd, who, at once, by their genial manners made it known that a real good time was to be had, unhampered by senior dignity or formality. There were games, refreshments and interesting conversations. Each guest went away feeling that this was one of the pleasant occasions worthy a place among the memories of the last weeks at their Alma Mater.

COLONELS AND CATS TIE IN TRACK MEET

Score Is 58 All, In Inter-Collegiate Contests—Clare Is High Man

In the closest and most exciting track meet ever held in the state the Wildcat track team battled to a tie with the Centre College outfit in the intercollegiate meet held at Georgetown, Saturday, May 21. The competing colleges were; the University of Kentucky, Georgetown, Centre, Berea and Wesleyan.

Clare, captain of the Wildcat squad, field events and it was only after a meet making a total of 21 points. In the first events of the afternoon, Kentucky forged to the front but the lead was soon overcome by Centre in the field events and it was only after a most spectacular finish that the Kentucky team was able to tie the 58 point total made by Centre. Georgetown made a total of 19 points and Berea was able to run in the money in two events.

The Wildcats were handicapped by the loss of Hayden in the javelin throw and the illness of Thornton and Snyder which prevented the team from maintaining a safe lead. The summary follows:

Dash of 100 yards—Clare, Kentucky, first; Murphy, Centre, second; Nantz, Kentucky, third. Time :10.
Dash 220 yards—Clare, Kentucky,

WILDCATS LOSE JINX AND WALLOP BEARCATS

Cooper's Steady Hurling and Wildcats' Heavy Hitting Wins The Game

SCORE IS 8 TO 2

The Wildcats played ball in big league style at Cincinnati Saturday on Carson Field and had no trouble in trouncing the Bearcats by the score 8 to 2. Coach Gill sent in Cooper, his hurling ace in the attempt to break up the losing strag of six games and stop the Bearcats who have been going at a fast gait. Cooper justified the ascription that he is a hot weather pitcher and worked in great style, setting the Bearcats down in fast order with only five hits, only two of which were clean. Coach Chambers nominated Roth, who shut out the Wildcats in Lexington with one hit, for his hurling selection but the Cats were in a hitting mood and drove Roth from the mound in less than three innings and pounded Sammy Seltz, star Bearcat hurler, unmercifully, for a total of 18 hits, including three homers and two triples.

In the field the boys played by far their best game of the season, erring only on hard chances and making some great stops and chances. Beam robbed Coons of an extra base hit in the sixth when he made a great stop of his hard liner. Brown took all kinds of hard throws at first and Propps, Slommer and Muth played sterling ball in the infield.

According to the ground rules a ball in the left field bleachers was a home run. The Cincinnati boys have hit a dozen up there this year and Coach Chambers figured it would be easy for them as our boys hit weakly against Roth down here.

Propps started the game with a slashing triple to center but was out at home on perfect throws by Irwin and Coons to Sharpe. Our boys scored two in the third for the ice breaker on Gregg's single, Jones' sacrifice and successive singles by Propps, Brown and Beam, Gregg and Propps scoring. Another was made in the sixth on Muth's single, a pass to Cooper and Jones' timely blow to center.

When Brown came to the bat in the seventh he hit the first ball pitched for a long foul that just missed the bleachers for a home run. Brockman ran out to tell Seltz what to throw and

LAST MATINEE PROGRAM THURSDAY

The presentation of the one-act play, "Hunger," at the Little Theatre, next Thursday afternoon, by the Dramatic Production Class, under the direction of Professor Mikesell, will mark the close of the matinee season. The play will be presented by five girls of the class, Jessie Dodd, Margaret Cole, Nancy Anderson, Margaret Garnett and Katie Gatewood. Professor Mikesell announced the name and cast of the play at the Little Theatre matinee tea, last Thursday afternoon and said he thinks it is very fitting and proper to close the season with the play, "Hunger," for it is to be hoped that it will create a greater "hunger for dramas" for next year. The play will begin at 4:00 o'clock and everyone is invited to attend.

STROLLERS ELECT NEW OFFICERS FOR 1921-22

Neither Director Nor Stage Manager May Play in Productions.

The election of officers of the Strollers for the year 1921-22 was the most important feature of a meeting of that organization held in the Stroller room, Friday afternoon, May 20. John Burks, Bowling Green, was elected director of the organization; George Rouse, Midway, stage manager; Burton Pre-witt, Mt. Sterling, business manager, and Kitty Conroy, Mt. Sterling, secretary.

According to the new constitution which was adopted at the meeting, the offices have been re-arranged, placing a director at the head of the organization, with supreme power over troupes, selection of the cast, rehearsal and all the business of the club. The stage manager will have control of all properties, the entire setting of the stage and will have the privilege of appointing his own assistants. The office of secretary-treasurer has been merged into a single office known as business manager, who will have charge of all the business and financial part of the organization. The duties of the secretary will consist of keeping a record of all meetings, a history of the organization and preserving various press notices which will be of interest to the club.

The constitution further provides that neither the director nor the stage

A COMPANY WINS THE COMPETITIVE DRILL PRIZE GIVEN BY U. K.

Commissions Are Presented to Officers and Sponsors By President McVey.

GOVERNOR SPEAKS

Harry Layman Wins Individual Drill Prize of \$5

A Company of the University Battalion of Cadets was the winner of the Field Day Competitive Drill prize, offered by the University, between A, B, and C Companies, on Stoll Field, Monday afternoon, May 23. Harry Layman, a cadet in C Company won the prize of \$5 offered to the best individual cadet in the battalion. The prize awarded the winning company was \$65 which was presented by Gov. Edwin P. Morrow to Captain Gerald Griffin, of A Company.

The ceremonies preceding the drill were attractive and impressive. The battalion was led into the field by the University Cadet Band and marched to the center of the field standing at attention at the command of the cadet major. Then the officers of the companies and the sponsors of each company marched forward and received their commissions which were presented by President McVey. The officers and sponsors who received commissions were: Major Hesndon Evans and Mary Elizabeth Downing, Adjutant G. H. B. Davis, Captains, Gerald Griffin, Katherine Conroy, N. R. Hutcherson, Marie Miller Woods, Sllas Nelson, Mary Peterson, E. C. Sidebottom, Margaret Smith, J. H. Enlow and N. G. Baumgarten; Lieutenants, E. A. Sams, Mary Swennney, C. D. Hunter, Elizabeth Kimbrough, J. C. Swearingen, Frances DeLong, W. A. Anderson, Minnie Mae Robinson, H. M. Clay, Alta Miller, Ed Gregg, Mary Colven, Dan Baugh, T. H. Hagan, J. H. Sallee, W. G. Blades, O. K. Bennett, Douglas Little, J. E. Wilkins and Guthrie Duvall.

Following the presentation of commissions the battalion marched in parade and off the field and the cadets who were entered in the individual drill took their places for the competition. Immediately after the individual drill, the companies, each in turn returned to the field for the company competition drill. The commands were given to each captain by Colonel Morrow and then the captain gave the command to his company. Each company was drilled separately, only one company being on the field at a time. The Judges, General Roger Williams, Colonel Charles Morrow and Colonel Whitehead graded each company by points. During the interim preceding the announcement of the decision of the judges a Butts Manual exercise was given by an especially selected company of cadets.

Following, the three companies marched back to the field for the presentation of the reward to the best company. A Company was called forward and Governor Morrow, after a short complimentary talk, presented Captain Griffin of A Company with the prize. A Company then left the field and marched back in to take part in the final review. The program of the afternoon ended by the passing in review of the battalion.

HOME EC'S ENTERTAIN

The Honorary Home Economics sorority entertained with an informal tea, Saturday afternoon, at the Practice House in honor of their pledges. Those who have recently received the badge of lavender and pink are: Elizabeth King, Bernice McClure, Fannie Heller, Mary Burrier and Pearl Morgan.

LET'S ALL BE BOOSTERS

At the beginning of the school year of 1920 there was organized on the campus of this University a club of "Boosters" as they called themselves. This organization of men had for its purpose the backing of every student activity on the campus and doing anything for the good of our beloved Alma Mater.

What they have done is not generally known by the student body, but the Kernel is in a position to know that they have accomplished a great deal of good. It was this organization which put on the banquet for the basketball team when it returned with the Championship of the South. It was this organization which offered its service voluntarily to the University authorities when it was known that there was to be an interscholastic track and debate meet here and it was the Boosters who sacrificed their time and put themselves to much inconvenience in order to locate places for the visitors to be cared for. It was the Boosters who have always turned out to every rally and although our teams may have been hopelessly behind in the scoring the Boosters have stayed until the last to cheer on the struggling Wildcats. Not only have the Boosters done this, but they have always been ready and anxious to give their aid, wholeheartedly, to any activity which might be of benefit to the University.

Of course it is not possible for all of us to be members of the SuKy Circle, as is the proper name of the Booster's Club, but we can all get the spirit of the Boosters and work with them for the good of the school. The Boosters have taken the lead, let us follow the path they have laid open to us. Although it may take some sacrifice, let us turn out to every rally, let us back all student activities, and when we go home for our vacation, let us work to secure the very best students in the state to come to the University of Kentucky for their education.

TENNIS FANS NOTICE

There will be a tennis tournament starting May 25, for men's doubles. Prizes will be given for winners of match and for runners up. All men who want to enter must turn their names into Prof. Downing by May 25, so that the matches can be made out. The schedule will be pasted on the bulletin board May 24.

Alumni Notes

Dues to the Alumni Association, \$2 a year, include subscription to The Kernel and the Alumni Directory. Address Herbert Graham, Sec'y-Treas., University of Kentucky, Lexington.

The Carrier Engineering Corporation in whose employ are many University of Kentucky engineering graduates, have changed their business office to 750 Frelinghuysen avenue, Trenton, N. J. Their sales office, however, is still located at 39 Cortlandt street, New York City.

Harry S. Cannon, '09, having received his Ph. D. at John Hopkins University, June, 1920, is now teaching German at the University of Minnesota. He was recently made a member of Lambda Alpha Psi fraternity, the honorary linguistic literary fraternity of the University of Minnesota.

We have received a letter from J. R. Watkins, Secretary of the Chicago Club, of the Alumni Association, in which he says: "The monthly luncheon of the Chicago Club, held Monday at Marshall Field, was well attended. Practically every man who attended the banquet in April was present at the luncheon.

The monthly luncheon is a permanent part of the Chicago's Club's activities. The luncheon will be held at noon on the third Monday in each month in the Men's Grill at Marshall Field; all visiting alumni are urged to attend and meet the Chicago fellows and find out what a live bunch we have."

H. G. Edwards, '05, has sent the Alumni Office a copy of the letter which has been sent to all the members of the class of '05. Quoting the letter, which is certainly a live one and should bring results. "The first thing for us to do is to pay our dues, \$2.00, and get square with the world, then we can look one another in the face and make up our minds that we are ready to start things. Let us see what we get for our \$2.00. First we have the satisfaction of knowing that we are contributing to the same cause as we did sixteen years ago. That in itself will bring us closer together. It will also bring us the Kernel which tells all the University news, and offers us a medium through its Alumni Column by which we can keep in touch with one another. In this way we will be drawn together, and when the time comes for our class reunion nothing in the world will be able to keep us apart. Inclosed you will find a post-card addressed to H. P. Ingles, 14 Wall street, New York City. On the back of the card you will find inscribed the following, 'I'm On'.....'Count Me Out'....."

Signed.....
Address.....
That's putting it up to you pretty strong, but there is an easy way out. Either let yourself be known as "I'm On" and send Herbert Graham, Lexington, Ky., the sum of \$2.00 or if you are down and out send in your "Count Me Out."

H. G. Edwards is the secretary of the Valley City Drainage and Levee District, manager in charge of the Valley City Land Syndicate, Naples, Ill., and secretary of the class of '05. From the enthusiastic way in which he has taken charge of this drive for a greater Alumni Association and University of Kentucky we see a brilliant future for the class of '05.

Robert Louis Acker is the Superintendent of the Winston-Salem Hotel Construction Company, Box No. 1657, Winston-Salem, North Carolina. Residence, "The Ardmore."

Louis Sterling Boggess is a project engineer for the Oklahoma Highway Department at Freedom, Okla.

Captain Don Pedro Branson is a Captain of the Sixteenth Infantry, stationed at Camp Dix, N. J.

Robert Allen Carse has risen from draughtsman to chief inspector of the American Car and Foundry Company, Berwick, Penn. Residence, 605 East Second street.

Louis Edward Hillenmeyer is a nurseryman at Lexington, Ky.

Miss Louise Marie Kornfield is teaching at the Louisville Girls' High School, Louisville, Ky. Residence, 1236 S. Floyd street.

Leo Logan Lewis is the secretary

and chief engineer of the Carrier Engineering Corporation, 750 Frelinghuysen, Trenton, N. J.

James Talbot Madison is with the Department of State Roads and Highways, Frankfurt, Ky.

Charles Alfred Mahan is with the Experiment Station of the University of Kentucky, as the State Leader of Agricultural Extension. Residence, 718 East Main street, Lexington, Ky.

William Durratt Nichols is the Head of the Department of Farm Economics, College of Agriculture, University of Kentucky. Residing at Rhodes Addition, Lexington, Ky.

Thomas Foreman Ott is Superintendent of the Lubricating Division of the Union Oil Company, of California, Oeum, Cal. Residence, 3120 Telegraph avenue, Berkeley, Cal.

Charles Swift Parrish is with the Hazard Coal Operators Exchange, Lexington, Ky. Residence, 206 East Maxwell street.

Perrin Rule is the assistant manager of the Blast Furnace Steel-Tube Company, of America, Chicago, Ill. Residence, 1420 East Marquette Road.

Howell Davis Spears is a chemist with the Feed Division of the Kentucky Experiment Station, Lexington, Ky. Residence, 301 North Broadway.

Miss Elizabeth Ward Wallis is teaching in the city schools of Lexington, Ky. Residence, 326 Aylesford Place.

Class of '08.

James Frank Bataille is the manager of the University Book Store, Lexington, Ky. Residence, 427 West Second street.

George Taylor Bogard is with the Kentucky Utilities Company, 825 Marlon, E. Taylor Bldg., Louisville, Kentucky.

Leo Brewer is the assistant United States District Attorney, San Antonio, Texas. Residence, 529 East Guenther street.

Garrett Davis Buckner is a chemist with the Research Department of the Kentucky Experiment Station, Lexington, Ky. Residence, 128 East Fourth street.

Aubyn Chinn is the general superintendent of the Hester-Price Company, Berwyn, Penn. Residence, Lincoln Apartments, 1222 Locust street, Philadelphia, Pa.

Harold Hardesty Downing is a professor of mathematics at the University of Kentucky Lexington, Ky. Residence, 158 North Ashland avenue.

Warren Thornton Green is the superintendent of the Columbia Box Company, St. Louis, Mo. Residence, 5730 Barmer avenue.

Russell Hamilton Guarrant is a sales engineer for the Industrial Appliance Company, 332 S. LaSalle street, Chicago, Ill. Residence, 1725 Wilson avenue.

Reuben Miller Holland is an attorney-at-law in the Masonic Building, Owensboro, Ky.

Edwin Bronston Oldham is with the Oldham Brick and Tile Company, Lexington, Ky., 150 Market street.

William Rodes is a financier at Lexington, Ky. Residence, 259 Rodes avenue.

Charles Miller Roswell is an electrical engineer with the Charleston Consolidated Railway and Light Company, Charleston, S. C.

Miss Sunshine Sweeney is a farmerette at Combs Ferry Pike, Lexington, Kentucky.

Guy Baker Taylor is a chemist with the E. I. DuPont-DeNemours Company, Wilmington, Del. Residence, 28 Bedford Court.

Arza Lyttle Wilholte is an assistant steam engineer for the Youngstown Sheet and Tube Company, Youngstown, Ohio. Residence, 820 Michigan avenue.

Frank Marshall Wilkes is the general manager of the Arkansas Light and Power Company, Pine Bluff, Ark.

Howard Clifford Yates is the secretary of the Kern County Abstract Company, Bakersfield, Cal.

— KEEP OFF THE GRASS —

STROLLERS ELECT

Continued from Page 1
manager will be allowed to take a part in the annual production of the Strollers' play. This provision was made in order that the two managers would be left free to devote their entire time to the production of the play. The constitution also states that a girl will not be permitted to occupy the offices of director, stage manager or business manager.

The constitution contains the clause that students who try out for the Stroller organization, and being accepted by the organization, are not Strollers. They will be termed "eligibles" and will be eligible to try for the play. Then in case they make a play, a committee will pass on their ability and qualifications along dramatic lines and they will then be presented with a pin and thereafter will be Strollers.

The committee of Strollers appointed upon motion from the floor at the last regular meeting to determine the eligibility and qualifications of members of the cast and staff to receive pins or pearls in conformity with provisions of the new constitution made the following report at the meeting Friday:

To be presented with a diamond and one pearl:

Herndon Evans.

To be presented with one pearl:
Mary Elizabeth Downing, Margaret Smith, Carlisle Chensult, Claribel Kay, Milton Revill, Fred Augsburg, John Land, Preston Cherry, William Finn.

To be presented with one pin and one pearl:

Katherine Conroy, Eleanor Morse, John Albright, John Burks.

To be presented with one pin:
Mary Peterson, Helen Taylor, James Molloy, Robert Mitchell, Burton Prewitt, William Williams and George Rouse.

At the close of the meeting a committee was appointed by the chairman, composed of the newly elected officers, and Mary Elizabeth Downing and Mamie Miller Woods to arrange for a banquet to be given for the members of the cast of "Crichton."

COLONELS TIE CATS

Continued from Page 1

Brown promptly crashed the ball nearly two-thirds of the way up the tier of seats in left field and strolled around. After Beam was retired Ridgeway slammed a terrific smash high up in the center field stand for another home run.

In the eighth Jones beat out a hit after Gregg had fanned. Propps fanned but Brown laced another in the stand for four cushions, sending in Jones ahead of him. Beam then got one of the longest hits of the day, a long triple to right that rolled to the bank, and scored on Ridgeway's single.

Cincinnati scored her two runs in the ninth when our boys faltered momentarily. Coons doubled to left and Fessenden's pop fly fell for a hit. Propps fumbled Brockman's grounder, filling the bases with none out. Sharpe fouled to Slomer. Cooper walked Pichels forcing in Coons. Irwin hit a grounder to Brown who tossed to Muth in time to get the runner, Fessender scoring. Prather struck out and the Wildcats were again back in the winning column.

Box score and summary follows:

Kentucky	AB	R	H	PO	A	E
Propps ss	5	1	2	1	3	2
Brown 1b	5	2	3	15	1	0

Summary:—Stolen bases, Cooper, Muth, McFarland. Sacrifice hits, Jones, Fessenden. Two base hits, Coons. Three base hits, Propps, Beam. Home runs, Brown (2), Ridgeway. Base on balls, off Seltz 2. Struck out, by Cooper 4, by Seltz 5. Left on base, Kentucky 11, Cincinnati 4. Double play, Propps to Brown. First on errors, Kentucky 2, Cincinnati 2. Passed ball Sharpe. Hit by pitcher, by Seltz, Ridgeway.

A. A. E. TO GIVE DANCE ON THURSDAY, MAY 26

The Kentucky Chapter of the American Association of Engineers will give a masque ball for the members of the College of Engineering, in Dicker Hall, on the night of Engineering Day, Thursday, May 26. This will be the first affair of its kind, given by this association, but an effort is being made to make it an annual event in the future.

Dicker Hall will be decorated in flags, streamers and gardenias, the flower that the engineers will adopt that day.

It has been arranged with the William Beck & Son Co., Theatrical Costumers, of Cincinnati, to have a representative on the campus to rent costumes to those desiring them for this dance.

There are so many diversified interests at the University that it is almost impossible for a student in one branch of work to know just what is being done by his classmates in other courses. Thursday afternoon, May 26, has been set aside by the Council as a half holiday for all the colleges of the University, except Engineering, and the day has been designated for this year Engineers' Day.

All the students in the University are invited to inspect the shop and laboratory work in the College of Engineering from 1:30 to 3:30 o'clock. It is hoped that the students of the University and their friends will take advantage of the opportunity to see where Kentucky engineers are trained. The half holiday has been proclaimed for the special purpose of allowing the students to inspect the processes employed by their fellow classmates, the engineers.

The gardenia has been selected as the Engineers' flower. Forty dozen of these will be ready for distribution on the morning of Engineer's Day at the main entrance of Mechanical Hall.

Marriage of Miss Anderson to Mr. Butyer Announced

Word has been received by friends here that Miss Julia Anderson, a student at the University last year was married May 6, to Mr. Arlyn Butyer, of Phophetisan, Illinois.

Miss Anderson was enrolled as a junior in the College of Arts and Sciences at the University last year, and was a member of Kappa Kappa Gamma fraternity. For the past year she has been teaching school at Phophetisan, Illinois, and it was here that she met Mr. Butyer.

SOPHS NOW FIRST IN CLASS LEAGUE RATING

Defeat Juniors by a Close Score; Errors Lose Game.

The Sophomores obtained a tight hold on first place in the Class League Friday afternoon when they defeated the Juniors in a well-played game, 5 to 3. McCarthy hurled steady ball for the Juniors but errors by Sauer, at third, in the fifth frame cost him the contest. Pribble starred at the bat with a single, double and triple, driving in two runs and scoring two himself. Burnham, Winters, McCarthy and Pribble got three-pley blows.

The Juniors drew first blood in the opening round when Sauer hit to deep left for a home run. The Sophomores tied in their half of the inning on successive singles by Pribble, Graham and Kelly. The game then drifted along, a tie, until the fifth when the Juniors got busy and shoved a pair of markers across the pan. Graham bobbed on Wilkerson's bouncer and McCarthy brought him in with a long triple. Sauer singled to left scoring McCarthy.

The Sophs won in the last half of the fifth. Pergren singled and stole. Pribble tripled him home. Sauer erred times and two more came in. They added another in the sixth. Little dropped Hays' fly. Pergren forced Hays. Pribble doubled to center, scoring Pergren.

Y. M. C. A. AND Y. W. C. A. OFFICERS INSTALLED

Dean Simrall Spoke; Blue Ridge Delegates Announced.

The new cabinets for the Y. W. C. A. and Y. M. C. A. have been elected for next year and both organizations met Monday evening in the Y. M. C. A. Rooms to make plans for the coming year. Many suggestions were offered as a solution to the problem of the new students, who naturally feel strange and lonesome on first arriving at the University was discussed at this meeting.

Edna Snapp has been elected Y. W. President, Nellie Stone, Vice President; Anna Russell Moore, Secretary, and Alma Thorpe, Treasurer; other members of the cabinet are: Laura Hubbard, Lelia W. Pogue, Dayis Lee Tinsley, Esther Harris, Adaline Mann, Lucille Hendrix, Lucille Youngblut, Mary Royster, Elizabeth Hume and Katherine Reed. The new members were installed at a special service at Patterson Hall, Sunday evening. Miss Simerall talked at this meeting.

The new Y. M. President is C. V. Weston; Vice President, F. M. Heath; Secretary, George Baumgarten, and Treasurer, Buton Prewitt; Gilbert Smith was given charge of the athletics, such as Sunday School basket ball, Tom Gregory the charge of rooms; Robert Clem, music; S. S. Shouse, of mission; W. R. Hutcherson, Bible study; A. L. Atcherson, conferences; F. A. C. Thompson, publicity; W. G. Finn, charge of social functions and A. R. Quarles, social service.

A number of delegates are expecting to go to Blue Ridge. The women are: Nellie Stone, Fannie Heller, Katherine Reed, Ilma Thorpe, Geneva Rice, Laura Hubbard, Elizabeth Jackson, Affie Hammond, Edna Snapp, Lucille Youngblut and Executive Secretary, Caroline Sharpe. Men who expect to attend are: C. V. Watson, Tom Gregory, S. S. Shouse, W. R. Hutcherson, A. L. Atcherson, F. A. C. Thompson, A. R. Quarles, Oakley Brown and George Baumgarten.

HOW ABOUT IT?

Her cheeks he said,
Like roses red
As lovely as can be.
Her ruby lips
Like treasure ships
That speak of love to me.

But when to kiss
The little miss
This booby took a notion,
He found her lips
Were "Painted ships
Upon a painted ocean."

UNIVERSITY GLEE CLUB PLEASURES AT RICHMOND

At 4:00 o'clock Wednesday morning, sixteen jubilant but weary Kentucky warblers started their homeward journey after a delightful trip to Richmond, Ky., where they presented their usual Glee Club concert in the chapel of the Kentucky State Normal School. They were accompanied by Professor Carl Lampert, director of the Department of Music of the University.

The party left the University Tuesday afternoon at 3:00 o'clock and drove to Richmond, arriving a little before 7:00, giving them ample time to prepare for the presentation of their program. There was no variation of the program which, as usual, was satisfying in every detail, signified by the hearty applause following each number. After the performance the men were entertained with a dance at the home of Sue Chenault, a well-known student of the University.

According to statements made by some of the members of the Club, the trip to Richmond was the most enjoyable one of all they have taken this season.

SENIOR ENGINEERS GUESTS AT DANCE

The Engineering Faculty Club was host at the annual Ladies' Night Dance, given Wednesday night, May 18, at Dicker Hall, in honor of the Senior engineers. An extensive program interspersed with dancing was rendered. The welcome address was given by the president, Dr. D. V. Terrell. The remainder of the program consisted in a sextette by Woodward, Hawkins, Baughman, Decoursey, Fendley and Riley; a trio by Misses Seegar, Kimbrough and Evans; a play by Prof. Mikesell and company and several numbers rendered by members of the sextette. At the close of the program refreshments were served and there was dancing the remainder of the evening. The music for the dance was furnished by a four-piece orchestra.

ORCHESTRA PLEASURES AT SUNDAY CONCERT

Large Audience Hears Final Program; Praise Given Lampert

The last of a series of concerts by the University Orchestra under the direction of Professor Carl A. Lambert, was given in Chapel Sunday afternoon before an attentive and appreciative audience. Each member was well rendered and interpreted, showing the skill and training of each player. The Orchestra has given a number of similar concerts this season that have been thoroughly enjoyed by the students, members of the faculty, and public who have attended.

Professor Lambert announced that concerts will be given regularly every Sunday next season, and that several new pieces, one of which is a bass violin, will be added to the Orchestra. There are at present seventeen pieces in it.

The following program was given Sunday afternoon:

- 1—First Movement from Military Symphony Haydn
 - 2—a—Menuete Mozart
 - b—Moment Musical Schubert
 - 3—Selection from the Oratorio..... Mendelssohn
 - 4—First Movement from Unfinished Symphony Schubert
- The names of the members and the instruments played are as follows: Jeanette Lambert, Agnes Fitzgerald, Margaret Kramer, Sam Adams, R. Costello, G. Bitterman, Violins; Marcia Lambert, cello; Professor Martin, flute; E. Heavrin and M. Woodward, clarinets; R. Woodward and S. Scott, cornets; Mr. O'Brannon, trombone; Dorothy Fitzgerald and Carl Lips, horns; Miss Beulah Stillwell, piano, and Professor Lambert, director and violin.

FLOWERS FOR ALL OCCASIONS

J. DONALD DINNING, Representative PHONE 4085

In Selecting a University—

For a college education, there are five things to be taken into consideration:

1. The men at the head of the Institution.
2. The scholastic standing and ability of the Teaching Staff.
3. The location and advantages of environment.
4. Equipment, buildings, laboratories and libraries.
5. Cost.

In all these respects the University of Kentucky commends itself to those seeking a higher institution in which to carry on their education.

All Departments, including Liberal Arts, Sciences, Agriculture, Law, Education, Mining, Civil, Electrical and Mechanical Engineering.

The Government needs trained men and women; college training will bring the result.
