THE AMERICAN LIBERTY LEAGUE

The American Liberty League is organized to defend and uphold the Constitution of the United States and to gather and disseminate information that (1) will teach the necessity of respect for the rights of persons and property as fundamental to every successful form of government and (2) will teach the duty of government to encourage and protect individual and group initiative and enterprise, to foster the right to work, earn, save, and acquire property, and to preserve the ownership and lawful use of property when acquired.

The League believes in the doctrine expressed by George Washington in his Farewell Address that while the people may amend the Constitution to meet conditions arising in a changing world, there must "be no change by usurpation; for this \* \* \* is the customary weapon by which free governments are destroyed."

Since the League is wholly dependent upon the contributions of its members for financial support it hopes that you will become a contributing member. However, if you cannot contribute it will welcome your support as a non-contributing member.
