

ABBAY OF GETHSEMANI TRAPPIST KENTUCKY 40073

Aug. 31, 1967

Dear Carolyn:

I just heard from Jay that he most likely will not come by here in September after all. So -- unless there is another change-- don't expect us on the 9th. I believe Bob is not around then, or I'd say both of you come over: but would you like to come on the 16th, 23rd or 30th? They are all free now, as far as I can see. Always 11.30 am good for me. I'll write for a book in a day or two-- many thanks. All my best always, in haste (will write about printing also)

*Tom.*
