Dear Fred:

Congratulations from Jim, Harold Marsh and myself. We hope you will have a very successful year, but will not overwork as so many of your predecessors have. Sorry not to have seen you at the convention.

Jim has been doing some fine intestinal surgery, but I have been urging him to go down and spend a few days with you. He will probably write you in the near future.

Kindest regards.

Yours sincerely,

Arnold S. Jackson, M. D.
