Dear Fred:

Hearty congratulations for your latest honor and I wish you a very successful term as President of the A.M.A.

I won't invite you to read a paper here, dedicate a new building, etc, but Alice and I would be most happy to see Edith, you and the children at Lake Geneva this summer. We are installed there, have room and really would enjoy the visit. What are the chances?

Verne made us another brief visit recently. He hurried to Cleveland to present an invitation for the College to meet in Los Angeles. He seemed hopeful.

With the kindest regards of Alice and myself to you and your family I am

Sincerely yours,
