

DR. JOHN T. O'MARA
BALTIMORE, MD.

June 10/41

Dear Fred,

well you certainly
have received all the medical
advice, that is, we are
all very proud of you.
all your friends seem
to feel the same way.
You probably will be
a busy man. I want
just take it in your
unhurried stride & have
sure you will make
a great success of the
job. We are all well
as I say you & yours
all.
Trincerely
John
