Dr. Fred W. Rankin
Lexington, Kentucky

Dear Dr. Rankin:

Just a word to offer my sincere congratulations on your most recent achievement, that of President Elect of the American Medical Association. I wish for you a year of success and feel that the Medical Profession is lucky to have such a representative.

I remember with a great deal of satisfaction the boat trip we took some years ago with Tate Mason through the San Juan group up to Victoria. I wonder if you remember a comment you made about "Picking up Doctors and Dogs" as we went along. Anyhow, it was a good trip.

I know you will be a busy man this next year, but when you are in Washington I should like the opportunity to see you.

Sincerely yours,

Albert McCown, M.D.
Assistant Medical Director
