Dr. Fred W. Rankin  
Lexington, Ky.

Dear Fred:

I notice in Tom McKnight's little Mooresville paper about your having been named President-elect of the American Medical Association. This is a mighty fine honor, and I just want to add my bit of congratulations.

If you do not already know our Lexington Manager, Walter H. Sebastain, I certainly would like to see you two fellows acquainted. I am asking him to drop by to see you.

Should you ever happen to be in Greensboro I wish you would drop by to see me.

Kind personal regards.

Sincerely yours

*M. A. "Jack" White*
