EUCLID AVENUE AT NINETY-THIRD STREET  
CLEVELAND, OHIO

Dear Fred -

I know you are so  
much overburdened with responsibilities  
you want no more. There is  
another source one however.  
I have a feeling that your  
election means the beginning  
of a new era in the American  
medical association.

I was much surprised and  
glattered to be your successor  
on the Council of Medical Education  
and Hospitals.  
Ever

Russell
