Dear Fred:

I have been laid up with a cold since the A.M.A. meeting and have been delayed in writing to congratulate you on your election to the Presidency of the A.M.A. It is a fitting reward for your able and zealous service for the Association. I am sure all your friends are justly proud of the honor which has come to you.

We are all so busy, hither and yon, that our paths seldom cross, but I hope they will converge again.

Cordially yours,

Bob
