FREDERICK A. COLLIER, M.D.
ANN ARBOR, MICHIGAN

Dear Edith and Fred -

Congratulations again to F. on a fine speech
exceedingly well delivered, on returning to the
Hotel after the invocation we found a bundle of
my youngsters in the room and when they left
it was too late to call you or call on you.

It was wonderful to see you both and to
see you looking so well - In such that
we could have spent many hours in
gossip constructive and otherwise.

But we will look forward to other opportunities
when you are not so important and
so busy - and we hope it will be soon -
I made the football game and Michigan
in my - - - - - game.

We have our triennial home coming
this next week end - Probably about 1000
will be back - Some, I suppose, opt fees - that I
trust do not. In any case it fills 3 days.
