

MAYO CLINIC
ROCHESTER, MINNESOTA

SURGICAL SECTION
OF
DR. C. F. DIXON

Dear Fred:

I've just read your article in
the issue of the West. Va. Med. Journal.
I think by and large it sums up the
whole affair in a most rational
manner. I am pleased to see you haven't
gone up completely to ^{the} one Stige resection
in the left Colon. I am still using
your Clamp on the majority of such
lesions. The boys who argue one Stige
always, whenever the lesion are better
than I am on damn liars + I suspect
the latter.

I am not sure I can make the
Am. Surgical this year, but hope I can.
I know you'll do an excellent job
as President and I am glad for you.
It is a privilege few will ever realize.
Sometime I wish I am coming down to
see Edith + you. Personal regards, as ever
Yours friend
Dixon
