Mr. Jerdie D. Lewis, Secretary
Young Democratic Clubs of America
Beasley Building
Terre Haute, Indiana

Dear Jerdie:

I received your report of the Kansas convention and was delighted to hear of the prospects. I hope we can do something to aid these boys and I am certainly willing to lend every personal effort to make this administration a great success.

It was a distinct pleasure to have you in Kentucky for the State Convention and I trust you will come back and visit with us some time at a very early date.

I also want to acknowledge receipt of your check for \$200.00 as payment on Charter fees due February 1, 1942. This, I assure you, will be a great help to the lean bank account. I am planning on attending the meeting in Washington in December and I hope to be able to spend some happy moments in the Raleigh Bar with you.

With kindest personal regards and best wishes,
I am

Sincerely yours,

John F. Dugan,
Treasurer.

Dear John:

The Young Democrats of Indiana have fixed the dates of February 6th and 7th for their fourth annual convention. This will be held at Indianapolis, Indiana, with the Claypool Hotel as headquarters.

You are not only invited to be present, at our convention, but all of us are planning on you being there. A reservation will be made for you at the Claypool Hotel and I shall be very much disappointed if you don't attend.

We are making plans to have a successful convention, but the success will greatly depend upon your attendance, so don't fail to be there. Please tell Virgil Lynch and all the rest about the convention date and extend our cordial invitation to attend.

With best personal regards and good wishes, I remain,

Sincerely

Dear Jerdie:

I am in receipt of your letter of May 14th and I am sorry to tell you that the Young Democratic Clubs of America are almost entirely without funds.

The charter fees have been very, very slow coming in this year, a condition due to the War I suppose and after paying a good many of the bills that were handed down to me, there is very little left in the Treasury.

Hope you can make the trip to Nashville.

I am With kindest personal regards,

Sincerely yours,

John F. Dugan,
Treasurer.

Dear John:

The date for the Tennessee Convention draws near. I will be engaged in trial in the defense of a damage suit at Rockville, Indiana on Monday, Tuesday and Wednesday and hope to be through by Thursday noon.

If I do get through then I intend to take a plane out of Indianapolis for Nashville.

If the treasury has any money in it I would appreciate it if you would send me a check to cover expenses. If there is any money available please send the check to me here at the office and I will be assured of receiving it.

Sincerely

Dear Jerdie:

I have your letter of August 11th regarding the trip to Reading, Pennsylvania.

There isn't enough money to pay our expenses to this Convention. I would like very much to go and would also like to have you go but the different States are slow in sending in their charter fees. We have a good many bills of long standing which we have never been able to pay and I would like to be able to dispose of these as soon as a little money comes in.

Hoping to see you some time in the near future and with kindest personal regards, I am

Yours very truly,

John F. Dugan,

August 11, 1942

Terre Haute, Indiana

Dear John:

About a week or so ago I received a letter from Joe Carr wanting the other three of us officers to get together and map out something in regard to the Congressional Districts and that he would be unable to take part until the latter part of August on account of managing the Governor's campaign. Later I received a letter from Pat, and I assume you did too, wanting to know if we could come to Washington for a conference with her.

Yesterday I received a letter from Pat in regard to the state convention at Reading, Pennsylvania August 14th and 15th. This would in all probability to discuss plans if the three of us are going to be there. Personally I will be unable to attend unless there is enough money in the treasury to pay the expenses of the trip.

Will you please let me know about this at your earliest convenience so that I can make plans accordingly. If there isn't enough money in the treasury I might be able to get Indiana to advance the money and let it go on their dues as an advance payment.

Sincerely

JERDIE D. LEWIS
