W. J. Withers, Chairman Ex. Com
Ky. University,
Dear Sir:

I propose to rent
the Ashland farm, for which
I will pay Five Dollars & fifty
Cents (\$5.⁵⁰/₁₀₀) per acre.

This proposal is made for all
of the land to be rented except
that which goes with Ashland
residence. If the pasture land in
front of the Ashland residence (about
25 acres) is not rented with the
residence I am to have it - I
to have all the buildings that
are included in my present lease.

Resptly Yours

David Cahill.
